My record: One Shotgun,Two Mobius's,Two Shots,Two Kills. (And they probably had  
beacons considering we were getting our asses handed to us... )But personally you can't  
replace the Ramjet Rifle... Snipers control the flow of the game, rather you realize it or not.Well, I  
take that back, in games with about 40 people snipers control the game. Anything less than that  
just get a flame tank or a tech... [ February 08, 2003, 20:53: Message edited by: JiggakoZz ]
