That's my point exactly. This game is about more than hitting buildings. Since you aren't intelligent enough to follow a train of thought beyond the flatly stated, I will give a more thorough description that a two year old would understand. Ok, here goes...There is more to this game than hitting building you pointwh0re. The only reason you get more points per game is because you do this. I was saying that I do more than hit buildings..... it is obvious you can't see that.... and you need some english lessons.... and if you think i'm such a pointwh0re then meet me in one of the servers in renegade and we'll see just who gets their azz owned..... if you want to mess with me fine..... just don't cry mommy when you're whimpy little rear is getting pounded into a bloody mass on the concrete....but then again..... I don't think you could take the time out of the day to stop kissing ACK's rear now could you..... yeah..... seems like your lips are permanently pressed up against his rear end.....
