quote:Originally posted by thousand_sun:I got a better idea. Why don't you repel GDI, when they camp outside the base.They are still going to get points for attacking buildings. The points from the harvey don't matter too much when they are pounding your building.Put that light tank to better use and help drive off GDI.IMHO the point is not to score from attacking/blocking it, but depriving the opps of much needed income. I too didn't think this tactic was worth the effort until I was on the receiving side...boy that cash took its sweet time in growing
