Funny sniper/SBH story: I was on walls as an SBH (the last SBH, our HoN was gone). We had a load of enemy snipers on the plateau (sp?), so I went up to take care of them. When I got to the top, I realised that I was the last SBH and that attacking them would mean certain death for me. I pushed them all off the cliff and they blamed lag:p. When I told them the next game, I got called "\*\*\*\*" twice, "n00b" 3 times, and "\*\*\*\*ER!!" twice.
