So just stfu wookieHey azwhoopin nice to see you too. Saw your personal site, I was just wondering if your mom drank while she was pregnant with you, cuz youre eye's seem oddly far apart. Oh and its nice to see youre actually starting to bring something other than flames to postings azwhoopin, oh no wait.. all you can do is flame... cuz youre just that stupid, aren't you? But enough wasting time on a fetal alcohol syndrome child. quote:Well, if it is not any of your business, but c4kat is not my brother.... my brothers online logins for westwood are c4puppy and bluefox71 and my other older brothers login is whitefoxand no I have never played you back in the days when you were with that clan.... and don't get me wrong I don't give a f' about the name of it, so I won't call it by name... and 'back in the day' I never did play clan games... so just hush up little child... you've never played me....
