I was playing a sniper game yesterday on the city_map. There was a nOOB sniper who got me once in the head with a ramjet, and was wanting weed. He was asking everyone for weed. I was fed up with it so I got a sbh and snuck right behind his A** and planted a c4 on His A**. Then he saw me, he didn't shoot me at first. I told him hit f. then he said f*** you then he killed me. I heard a boom, and did a happy face on all chat, and said there's your weed. He was very ****ed at me, then the host kicked him off for being annoying/.
