For GDI, I like Mobious and Gunner. Mobious for its massive damage, and Gunner 'cause he can take down buildings quickly in groups, and is great for clearing swarms of infantry(all tightly packed) and I'm pretty good in 1v1 infantry with him. And he has incredible range. For Nod, I like SBH, and LCG BH. I like SBH because I stole a med and mammy in the same game earlier today, and LCG beacuse, well, If you can't steal 'em, KILL 'EM!
