I was a Mammoth tank on hourglass and i got stuck on one of the many rocks. So then Nod flame rushed but one stayed to kill me ,but he did not know i was stuck so he killed my Mammoth that was already down two 200 (i was on my way back to get repairs when i got stuck). Then the flame got stuck on the rock fell off and died. Good tactic if u do it with a hummer instead [June 17, 2002, 14:34: Message edited by: jm21146]
