I've played CnC games ever sense the first im preatty sure I know more about the CnC enviroment than most players here \*Then again I could be wrong im not perfect\*Ok so sue me I havn't seen the other topics on this board becuase I don't care about this area of the message board. All im trying to do is tell you guys something you have just about no right telling me off like that. Like I sead if you don't like me replying like that then by all means send me an e-mail or PM (IF they where only allow'd) and tell me. Im just a nice guy and a person who follow's the rules thats how I was taught. Did you say that you are a teacher or did I get confused....anyway, If you are a teacher, how come you spell so bad...correction...Kinda hard to have fun when you 're tired as hell and fed up with the students at school so back off! if you don't like the way I reply then why not tell me by saying it.... if you even understand... nicely ??? and why must people flame others all because they're nice is it because that person doesn't know how?And for you guys information I was taught gods so don't go off saying something about me when it seems I was taught wrong.And also, I'M NO N00B!
