It only shows what the IQ of the person who started it is.... 1.0 all that person wants is attention... Next time you decide to post a topic like this put it in the general board please. \*trust me if it was there to begin with I wouldn't of posted\* And no im not trying to act like a Moderator im just tired of people disobeying the rules and posting topic's where they DO NOT belong. If the Dev's don't want to inforce the rules on this board then its up to us players to do it for them.[ May 19, 2002: Message edited by: Lt. Commander Shadower ]Dude,is anything ever about the topic? We've got people in here that talk about Star Wars for gods sake!!! Have some fun for once,geez.As for my IQ,it must be larger than yours because you'd know that "gods" isn't a word. If you want to be all like a moderator,then shut the hell up and dont reply to this newb.[ May 20, 2002: Message edited by: sup103 ]
