quote:Originally posted by FHATODude:its true,i've tried it but first u gotta get a chem warrior INSIDE a building first, its better to get 4 chem warriors (costs less then a flame) and if a building is near a tunnel exit, chem it, 4 chem warriors do as much damage, if not more, then a flame tank against a building.If 4 chem warriors could get inside the building, they could just destroy it with C4, so its moot. Why does it have to be chem warriors in particular? Any 4 infantry that get in can finish a building, and even faster than that chem gun. One technician can do it.Point is, if you manage to get in, you may as well blow it with C4.[ May 17, 2002: Message edited by: Aramachus ]
