Hello there,once upon a while in a game where teamplay is possible (yes, those exist   it can be a nice idea to spread mis-information among the other team. For example, if you plan a Nod rocketeer tunnel rush on under map, send "All flames head for the tower!" via F2. GDI will laugh at you n00b who gave away the Nod strategy - and prepare to defend a flame rush.Careful: dont repeat this tactic too often as the enemy tends to learn pretty fast.Mfg,ChaosE[May 13, 2002: Message edited by: ChaosE]
