Wether it changes to this system or any other system the fact remains that it needs to be changed. Hey silentson, I take no offense to what you said about me, I am happy I can say I have a Bach degree and i'm pretty \*\*\*\* smart rather than bragging that I smoke weed or work at McDonalds. But I am diffiniatly not a "dork". If you some how think I am I reccommend visiting my web page from the link below and checking out some pics(pic of me on link on bottom of home page)..[ May 14, 2002: Message edited by: AzWhoopin ]
