---

The only teamwork I ever see is "buy mammoth" and "buy flamer", which usually ends in four mammoths/flamers assembling in the base, with the fifth necessary one trying to run away and die early. Other times, teamwork takes the form of one person buying a med tank, then another sees this and buys MRLS, and another buys a APC, and all three run off to the nod base and die in a uncoordinated, muddled melee.
