quote:Originally posted by Jinghua83:i think he must be joking.. how could ur ammo last for 20 units??quite impossible.....even taking out 7 to 8 units with flame is already a wonderbut how can it handle 20 units.....fishy fishy fishy           Agreed. I mean after all, how many refills does the whole base take. And how did he get past the AGT with a flame infantry in the first place. And yes, I am saying it's impossible.
