Mine went to Galaxies, although I thought about NWN. Reasoning.. Galaxies is what I'm most interested in. Sure, Generals will be great but I already know kinda what to expect.. same with the FPS games. NWN and Galaxies interest me more because I don't yet know exactly what they will be like. Now.. if it were which game I was most looking forward to or think will be the best.. then I might vote differently. [May 07, 2002: Message edited by: kubi0461]
