quote:Originally posted by cliffkik0:i got an idea, how about u med tank camp, w/ mrls pounding away at there strip/ref....u can take em both out simply...if they are all int he strip repairing, switch to the ref, NOBODY WILL BE INTHE REF 100% OF THE TIME!Have you even played this game before? Or have you just played the Practice Multiplayer whier none of the Bots repair the base. All they would need to do is get a few tech's in the buildings and start repairing them. Once they start, they will get money for their team and at the same time, be able to allow their team to attack your base without you bieng their to stop them.
