dun u guys agreeif u enter a game, and u keeping losing for abt 3 to 4 gamesit is better for u to quit the game and join other gamesi personally think that always happenso when ever i in a server that cause mi to lose 3 or more games. i will quit to join other game...and i think the westwood couldnt mix the teams more. dun u think u normally play with several same teammates over a few games, with little or no change at all to the teammates.....and 1 other thing, sometime it is not a bad player that is playing the game but it is jus their lucksometime i can be a mvp for a few times, but the next days, u can lost several games....so u r not a bad player if u lost, u r onli a bad playr if u fail to learn from mistake...
