i don't think u wanna drive the hummvee in...cause...it can be taken by the opponents when they go into ur tower if nobody is in the hummvee...i've tried it...i got killed while repairing and the hummvee was stolen by a NOD player...i hated that...then...i blew the hummvee up w/ pic...stupid hummvees in agt...using the proxys r better than hummvees...unless u wanna get zero points while u sit in ur hummvee all day...
