masturbates, God kills a kitten....Get busy, guys! OMG losing breathAnd my 2 cents on the tank  
stealing b.s. if you repair outside the base...I dont care if its sitting right next to a barricade BY the  
base...I own it. I will NOT have some stealth hand come take your tank because you couldnt  
move it 10 more feet INTO the base. Not to mention, if your NOD and yoru repairing that shiny  
new stealth tank outside the base...oh I loooove that. Next on my list...aircraft owneage.....
