Subject: Don't u hate lack of teamwork??
Posted by Anonymous on Sat, 13 Apr 2002 17:29:00 GMT

I know what you mean. It is almost pointless to play unless you are in a clan. most people just want to "John Wayne" it. If the other team has 2 players that work as a team will end up taking the game. There is no I in the word team but it seems like most people forget that there is a team.
