DONT BOTHER SHOOTING THE HAND FROM YOU BASE!!!!!! I just got done playin a 40 player server. My team had 4 mrls shooting at the hand. Not even damageing it. When that was going on the sound nuclear strike beacon deployed became a part of the wonderful sound in this game. and what did they do, those little cock suckers kept shooting at it. A stealth guy planted a beacon, DIRECTLY IN FRONT OF THEM!!! wat did they do the still shoot. So if you are giving them free points, STOP shooting
