Its called the kamikaze. And to let you all know about something, My TACTICS are really powerful. I mean i have some really powerful ones that I have not yet published. and yes, one more thing, Using flamers for attacking the building is not really powerful. I have tried it before, and the infantry flamer is no match for the chem sprayer. Take care anyway. e-mail me at [rogstar007@yahoo.com](mailto:rogstar007@yahoo.com) for more tacticsLMAO!
