quote:Originally posted by Nehebkau:Thank you, although I noticed that passage before you helped me out (got into the refinery and went all the way through it til I found out about that passage...Now what puzzles me is that spaceship... I got in that spaceship and killed anyone in it... now what? What am I supposed to do in there?P.S Does anyone know how bonus ojectives help?That's it - nothing more to it, though you get a volt rifle fromt the templar... so it's worth doing. And you get the tertiary objective just for walking through the door. If you're low on health - probably not worth it though.
