quote: And here is some proof that the Renegade community doesn't know jack about teamwork. 85% of everyone I meet on Renegade is a newbie or total loser. 10% of everyone I meet is a average skilled lone wolf that doesn't care about the rest of the team. And the remaining 5% are the REAL players! But then again, I think I know why players play lone wolfs. The ladder system discourages teamwork. If I were to take a flame tank and shred 2 buildings and get 4000 points, I would get only 1000-3000 if someone else in a flame tank tagged along. You should of been there last night on that serve xxxgijoe and Hobbes made. Mad teamwork, and no lone wolves. Best time I ever had playing the game. Then again it was all people who complain about teamwork and such.
