Subject: Why use a Mammoth?

It depends really if your using a mammoth to keep enemies at bay in a wide open zone or a closed zone. I ac***ulated 4500 cash so I spent it 3 mammoths for my team. We already had two at their door and 3 more made it even better . After using the battering ram technique we stormed the base, lost 3 mammoths but took out their hand, Power plant, Obelisk and air Strip.
