Well, I usually start out with a Grenadier if GDI or FlameTrooper if NoD. Once I get enough money, I usually go as HotWire or a Technician and mine key tunnel entrances to bases, and then a couple buildings. I will also follow a vehicle out into the heat of the battle, and sacrifice myself to keep that vehicle in the fight. When I buy my first vehicle, it is usually a medium Tank for GDI, and if I am NoD, I usually go with either the Artillery or Stealth if I have the money on hand.
