25 min's ago i lost a game that was lost by newbs. Here's what happened, at the beginning of the game we started with 9000 dollars most of my people bought mammy's the rush enemy but guess what an enemy is spot in our base so this @^& starts firing on him he enters the barracks and he keep's shooting people are telling him freindly fire is on he still keep's firing. Warning nuke bomb in come, Gdi barracks destroyed he blow are barrack a dumb newb on our team blew the barracks blew that thing do u beleive this \%^\$# after that game he was on the other team and hunted his #\$\$@ down all throught that game please if newbs are read this take note on his stupity.
