I have been on the stealth c4 kick for a couple weeks now. The very best kill was a couple days ago. I put a timed C4 on the back of a sniper. I then took off back to the base to rearm with no clue where this guy went. Apparently he decided to hang out with a few of his buddies, 3 to be exact. BOOM Boink Boink Boink Boink. I almost fell out of my char laughing. One C4 4 kills. They must have been already damaged. I doubt they even knew what got them.
