ah yes, the ole spawn camper. we had that situation back in ww2ol(what a shame that game didn't work. i wanted it to succeed so bad. now i've heard that crs has gone bankrupt. what a shame). there was much debate as to whether it was an ethical tactic. in the end, it was. so before any of you guys b\*tch about the spawn campers, remember if your base defenses were there, they wouldn't be able to do that in the first place. sorry if i skewed this thread's topic, but i just wanted to say my peace on the subject of spawn camping.
