quote:Originally posted by Winsett Z:..They really aren't helping their team too much; snipers rarely contribute to a teams victory.I usually play sniper for at least a bit each game and I've found that while they won't win a game for you, they can certainly contribute.For example, I'll often switch to a sniper to pick off the techs that are supporting a tank rush leaving my tanks/rocket infantry free to work on the actual rush.And there's nothing more frustrating to an expensive infantry than getting sniped on the way to the opponent's base. (That whole "empty a clip in his head" thought from the first post.) Well, I normally try to clear out any persistent snipers for my team as well. Being a counter-sniper certainly helps your other teammates.Basically, I think snipers have a place just like any other unit, vehicles included. I do agree that a half-sniper team is just asking for a tank rush though.
