Im telling you , pull out that pistol and fire four rounds into there headNot exactly... this one game today, I launched the game, but went away to get a snack. When I came back, I selected NOD(actually auto) and I got a technician to lay mines. Lo and behold, a GDI Mobius bursts into the Tiberium refinery right where I am, catching me by suprise. I lay a mine, he steps on it. I go back to the PT, e and 5. Lay another mine. E and 5. 1 last time, and he dies. I press F2 and ROFLMAO. It's so cheap being in your own base defending!
