and do what killjoy said just look at what u are fighting at ... dont buy a gunner becoz u think its nice ... buy it then u see incomming tanks ... and if u got like 500 cash ... it may not me smart to buy a gunner, just buy a rocket trooper for 225 ... some times u run in the battle field and u are sniped down the moment u show up. then u are all out of money ... so buy only what u need ... and dont trow your money away
