I was in a game a while ago.....I was on GDI, NOD rushed in with Stealth tanks....I steal it, then what does everyone do the WHOLE time, shoot ME thinking i was the enemy, THANK GOD most of the engines knew what was up and repaired me. For like 10 to 15 minutes 95\% of my team was trying to kill me cuz they are blind and can not see the GDI logo on the tank i had stolen. NOW that is team work at its best [March 05, 2002: Message edited by: Viper078]
