Well, after playing this form of digital crack all weekend, I have come to the following conclusion. TEAMWORK makes the difference between winning and losing. Now, I started the @Large Clan many years ago during the reign of Starcraft. Which then turned into TFC and Finally got big in CS. Now I am officially announcing the RENEGADE@LARGE Clan(so far 2 of us) to take this game and create a group of guys the beleive in the TEAMWORK aspect.
