If it makes GDI feel better they can have a chrono harvester or something. Another thing that I hope would be changed is the team change thing, I guess it is just the demo that has the team-change thing and anyone who has the real game could you inform me do you get a bomber or orchard fighter??? LEARN HOW TO SPELL!!!!!! Stealth? What kind of man writes Stealth as Stelth? Oh and BTW you are an extreme NEWBIE. Stealth tanks do cloak, but you are able to see them when you are on their side or get up close to them!!!!!!! (In the original MP demo version you could actually see them like the allies did, but that is fixed now in the patches) ,I, ,I,[February 28, 2002: Message edited by: EAVetAlex]
