LOL, first of all you get crap points for sniping infantry compared to blowing tanks so your really missing out. Second of all, a laser chain BH costs somewhere under \$500...maybe \$450. A medium tank costs \$800. Now, why should a \$450 character be able to own an \$800 tank? That's why you need two \$450's or 1 \$1000 character. You can do it with 1 \$450 if you're good. Have you noticed how easily a Laser chain takes out a hummer? Maybe that's because they're close to equal value. Just a thought. heh.
