I use deadeye/black hand sniper. Because they cost less and if you are killed they person on got ya doesnt get that many points. ANother thing is even though the ramjet rifle can do damage to tanks it takes a FREAKIN LONG TIME TO DO!!!! 1 square per shot isnt worth it cause the gun holds only 4 rounds per clip and it has only 22-30 (not sure exact # but in that range) So i'd rather have the mindset of killing jsut infantry because its quicker your kill more of them and will greatly benifit your team because a team without infatry that has tnaks will lose to a team with infantry and tanks.
