quote:Originally posted by NiVaNa:Ya but nod have oblistek of light, that will take out a mammoth in 1 strike and or 2 strikes, all the nod have to do is pull back to there base and let the oblisik take em out. But does dont alot of power to run, weaknessIt usually takes 3 hits from the obelisk to take out a mammoth. A medium tank is gone in two hits. That's in general with direct hits. Sometimes it seems to only partially hit a target, though.
