quote:Originally posted by CanadianMonk3y:My guide for becoming good:1: Play excessive amounts of CS on a broadband connection to learn stealth and reflexes.2: Play Deus Ex to learn how to ALWAYS aim for the head in order to do the most damage.3: Play some strategy game in order to learn some tactics, when to fight, run, etc...4: Keep playing to retain skills.I get all my skills from Deus Ex. You learn where to place LAMs, learn to hide, run without being noticed (without using the augs, of course. Renegade don't have augs. \*\*\*\*!). Deus Ex is the best game in the world.
