quote:Originally posted by Nukelt15:Just love killing arties with them, or snipers, or just about anything else. they must be some crappy artilary/snipers. It's so easy to kill MRLS's that it's pathetic. Their missiles are hard to hit moving things as well, the best way to us them is to have each missile shoot somewhere around it.the only thing I'd use them for was the disable the obelisk, other wise I'd stick to a medium tank. Maybe mammy.
