Proud to say we will never give up on Renegade - in any form I would recommend you visit/use all Renegade fan sites - and stop all this useless and mind-numbing arguements about who's site is better - who is a better modder, etc...in the end - it will be this garbage that kills Renegade as a community, and as a game. Remember - there is ALWAYS someone smarter/better than you. With this - i'm a dot..... twice Dam we got owned by a post!
