I dont even know why im talking about this here... but Nova should be good on Generals I would have liked to see it in Renegade when it was Renegades time but... Generals is here and like ACK said if people dont have that much interest in it... get it on its knees and shoot it in the back of the head... sorry... im ranting again If "we" didn't have much interest in it, Havoc wouldn't of posted here. Obviously some of "nova" staff still cares.
