quote:Originally posted by killakanz:excuse me, but I have followed your work for some time, I know what you're capable of doing and what you've done. I simply haven't spoken out about things.Suffice to say I know you more than you know me. It's a shame your skills are wasted on your personality. Ever thought of being nicer to people? It's a proven fact that skills improve with personality.He is nice if you know how to talk to him properly. Like I stated a long time ago, you should first find someone that talks to him and he's nice and all, and learn from them how to do it. Like me, well at least how I was a while ago. I'm not really sure how I stand now, and I don't like to assume =]
