Hi all.I've tried making a vehicle but am having probs.The **** thing hovers off the ground and the wheels don't turn. (i can get into it however but no name shows up(vehicle's name)) I've checked wheel bones to what seems the right position, the objects are linked in this order;Origin

help would be greatly appreciatedThanx, Dunt-editmaybe someone would be willing to take a look at my gmax file ? lemme know and i email [February 01, 2003, 21:35: Message edited by: boj]
