quote:Originally posted by PiMuRho:You can't criticise a painting until you've painted one yourself.You can't criticise a car until you've made one yourself.You can't criticise a professional football team until you've played for one professionally.You can't criticise your country's leader(s) until you've been one yourself.You can't criticise a map until you've made one yourself.Hmm.In his case, that applies. Being unable to do a map, yet being able to do all these wonderfully unskinned models makes me wonder if he has any idea of what really goes in to making a good, balanced, map.The other guy who posted here is one of those "Milk Bandits" queers. Someone from their group already said the same exact thing without the guise.
