quote:Originally posted by aircraftkiller2001: quote:Originally posted by Taximes:Looks like my least favorite of the unreleased WS maps, so far...The only thing I like about it is the pyramids, that was pretty creative.But if I was you ACK, I would make those walls thicker and give the bottom half a better texture, as well as do something about this, that cliff could definitely use some alpha blending or retexturing.It's all blended... Or is that too hard to see?I know it's blended, but I mean more. I think the actual cliff part should be darker instead of having the same texture as the rest of the map...
