This map was the first map that Westwood made... A friend of mine at Westwood made it and he has given me the right to call it mine, just like the other maps I own. If you want to see it, take a look!<http://www.n00bstories.com/image.fetch.php?id=2109272357> I have more to show later... I'll begin finishing this map once I finish that System Shock deathmatch.
