) (Is that "Toadish" enough for you?) Got it from Encarta, and who wants to argue with Encarta? The tank a beautiful piece of work, if I could I would drive it to work and show it off. If

accurate it is, because I am going off a little red box on the ground. Come on guys we are a "Community" aren't we? [January 16, 2003, 09:39: Message edited by: Cpo64]
