Are you a "toadie" for the anti-Aircraftkiller people? Is everyone that is anti-Aircraftkiller a "toadie" for that? If anything here is childish, it's that you cannot accept the opinion of another. But hey -- whatever floats your boat, right? One last thing... Before you spew out "But you argue with people and insult them, therefore you do not accept opinions, you hypocrite!", I accept any opinions I hear or see... Doesn't mean I like them, and it doesn't mean I won't say anything about them or insult someone because of it.
